

Brickell Medical Sciences Library Noise and Cell Phone Policy

Effective Date December 2012

This policy was established to maintain the Brickell Library as an environment conducive to studying, research, learning, teaching and collaborative interaction.

Quiet Study Areas

Quiet study areas consist of study tables, study carrels, and the corridors leading to them; they are located throughout all four floors of the library. Study rooms are used for group study, small classes and interviews. While talking is expected, please be respectful of their intended use and keep noise levels to a minimum in these areas.

All cell phones and other electronic devices must be in their silent or vibrate mode. When making or receiving a cell phone call, patrons must move to one of these approved areas:

- Library rotunda
- Front stairwell
- Study rooms (close the door)

NOTE: the first floor corridor between the north and south entry doors is not an approved area for cell phone use.

If you have any questions, contact the Information Desk 446-5851.
